1) The Mossad blackmail network & Jeffrey Epstein are so interwoven that you can't separate them.

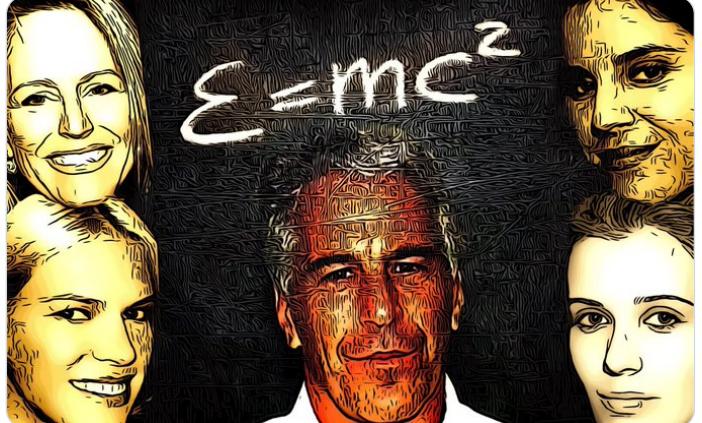

[@TheSharpEdge1](#) did a knockout thread earlier about this connection, I highly recommend you read this before going near mine... gold medal for how it's done.

@TheSharpEdge1

1 Thread: E = MC2

It's a simple equation. Only in this equation E = Epstein.

2) Starting here, with the roots that wove Epstein in.

Robert Maxwell was Mossad, daughter was Ghislaine Maxwell, the woman that helped procure young girls for Epstein's stable.

https://en.wikipedia.org/wiki/Robert_Maxwell

3) Robert Maxwell was killed; he knew Edgar Bronfman. They tried to buy a company together.

Bronfman's daughters funded NXIVM.

4) Edgar Bronfman knew Les Wexner. Les Wexner funded Jeffrey Epstein.

Bronfman and Wexner did "philanthropy" together... yeah.

5) Les Wexner was the founder of Victoria's Secret, and used their models as a honeypot to attract men for Mossad blackmail.

Inside the Victoria's Secret pipeline to Jeffrey Epstein

Jeffrey Epstein, a convicted pedophile who was arrested for sexually abusing "dozens" of minor girls was constant fixture at Victoria's Secret events.

<https://nypost.com/2019/07/14/inside-the-victorias-secret-pipeline-to-jeffrey-epstein/>

6) Les Wexner funded Epstein. This was his secret BS hedgefund. Epstein used Victoria's Secret girls.

Wexner was to Hugh Hefner what Victoria's Secret was to Playboy, and so that means it is what Mossad was the the C_A.

7) Epstein used Ghislaine Maxwell, Mossad asset Robert Maxwell's daughter, along with other co-conspirators to procure young girls for Epstein and those he sought to satisfy.

8) I strongly believe Epstein was upper tier... probably not often as much the source of the blackmail as he was a rewarder asset for "good behavior" by those that sought to reward. Just a suspicion.

9) So now it starts to deepen.

Epstein partially funded MC2, a modelling agency.

As Edge mentioned, Jean Luc Brunel was the partner.

MC2 had offices in Miami and Tel Aviv, Israel and brought 14 yo girls into US from mostly Eastern Europe. Israel 🇮🇱?

The Sex-Trafficking Model Scout
Jeffrey Epstein, the billionaire financier who the FBI believes molested around 40 underaged girls, was assisted by a prominent modeling agent and scout. Here's what we know about Jean Luc Brunel.

10) Here we get circuitous....

In the Epstein bail document, it shows Epstein has ties to Brazil, but nothing searchable I can find.

The only connections I can find are...

11) Epstein has ties to Oprah Winfrey and Clinton who visited John of God in Brazil, remember him?

"The elderly medium, who has been interviewed by Oprah and has treated Bill Clinton, was pursued after skipping a deadline to hand himself in."

12) John of God sold the babies of his sex slaves... to Mossad?

13) So switch gears to the Epstein ranch.

Carlos Emiliano Salinas, son of former Mexican president.

14) Switch gears again, Epstein has ties to Rachel Chandler, who as Edge mentioned, is tied to the Standard Hotel, which we believe to be involved in human trafficking.

15) So here is a network to consider, then we will add some names, see who indulges in it, who might also be involved...

16) Partial Mossad blackmail/honeypot network:

Victoria's Secret
NXIVM
MC2 Models
John of God's operation
Mexico
Standard Hotel

All connected.

Branson, Richard: Founder of Virgin Group.

Name found in Epstein's black book.

Like Epstein, **Branson** enjoys entertaining on a private island.

18) Epstein Island and Branson Island? +/-35 miles apart.

19) The Sultan of Brunei.

Bolkiah, Hassanal: Sultan of Brunei.

Epstein had at least one meeting with the sultan when he traveled to Brunei in 2002 with Bill Clinton. Bolkiah and his brother are famous for their lavish spending, including a collection of 2,500 cars and a \$1.5 billion palace. Bolkiah was once sued by Miss USA 1997, who claimed she had been held as a sex slave. The suit was dismissed on the grounds that Bolkiah had sovereign immunity.

20) David Blaine. Introduced to Victoria's Secret models.

Blaine, David: Magician.

Name found in Epstein's black book.

Blaine put on a private show for Epstein's dinner guests in 2003, doing card tricks for the likes of Sergey Brin, Mort Zuckerman, and Bill Clinton aide Doug Band. The dinner was organized by Ghislaine Maxwell and included a group of young women who were introduced as Victoria's Secret models.

21) Former Clinton national security adviser Sandy Berger was in the Epstein flight logs.

Berger, Sandy: National-security adviser for Bill Clinton.

Name found on Epstein's private jet log.

22) Charlie Rose, a Mossad recruit?

New in [@nymag](#): I obtained phone logs that show Jeffrey Epstein called Charlie Rose dozens of times, including to recommend potential assistants. I spoke to one who said she was sexually harassed by Rose. She told me, "I was being offered up for abuse." [nymag.com/intelligencer/...](http://nymag.com/intelligencer/)

Rose, Charlie: Television journalist.

Name found in Epstein's black book.

You learn things answering phones, and in the spring of 2005, answering Charlie Rose's phone at his PBS show, you would learn that his friend Jeffrey Epstein had some recommendations to make for whom Rose ought to hire as his next assistant. Written call logs from 2005 and 2006 show Epstein and his own assistant calling dozens of times, making plans for lunch and tea in Manhattan or to try to meet up in Paris. Epstein also called with a total of five women's names and phone numbers. One woman was described as "world's most perfect assistant she used to work for Harvey Weinstein he's lucky if he can get her." Another entry reads, "Jeffrey Epstein wants to talk to you before you call these two girls." A fourth woman shows up on the manifests of Epstein's jet, including on Bill Clinton's trip across Africa, and wound up working at the Clinton Foundation. Two former staffers remember another Epstein referral, a young woman not mentioned in the logs, who interned at the show. In all, Rose hired three ("Jeffrey Epstein from time to time recommended various candidates for open positions at the *Charlie Rose Show*," Rose's representative said in a statement, but said the ex-host only learned about Epstein's alleged abuse years later, when he pleaded guilty in Florida). When I called one of these women recently, she was stunned to learn she was one of many women Epstein recommended for the job. 23) And lets end with this doozy....

In August 2018, the New York Post reported that Sloppy Steve Bannon had been seen entering Epstein's townhouse in NYC.

Bannon, Steve: Former White House chief strategist.

In August 2018, the New York Post reported that Bannon had been seen entering Epstein's townhouse. Neither Bannon nor Epstein has commented on the substance of their meeting, but when Ivanka Trump condemned Roy Moore's campaign in Alabama, saying, "There's a special place in hell for people who prey on children," Bannon, who backed Moore, responded, "What about the allegations about her dad and that 13-year-old?" It was a clear reference to the woman who had accused Donald Trump and Epstein of raping her when she was 13.
